*Pet owners enjoy huge savings on pet care while supporting needy animals*

South Gate, Ca. ... The City of South Gate will offer low cost vaccinations for all community dogs and cats at two special "Vaccine-A-Thon" event's this summer. **Rabies vaccinations** (required for all dogs under California law) will be priced at \$6.00 each - - a \$10.00 to \$15.00 savings over traditional vaccine prices. A complete selection of other pet vaccinations will also be available at discounted prices, with special combination "packs" created to allow pet owners even greater savings when they purchase multiple vaccinations. All Veterinary services are provided by **Vet Care Vaccination Services, Inc.** in conjunction with **South East Area Animal Control Authority**. Popular flea control products **Comfortis**, **NexGard™** and **Frontline**, may also be purchased at special prices.
