

# The Boulevard Project/Proyecto "The Boulevard"

Providing You Safer, Faster and Well-Designed Transportation Systems!  
¡Brindándole Sistemas de Transporte más Seguros, Rápidos y Bien Diseñados!

## Construction Alert #3 Construction is Underway!

Español

**The Boulevard Project** is now in the construction phase. Motorists should plan ahead, expect delays on Firestone Blvd, use alternate routes, share information with others and watch for construction crews and equipment near Firestone Blvd and Dearborn Ave.

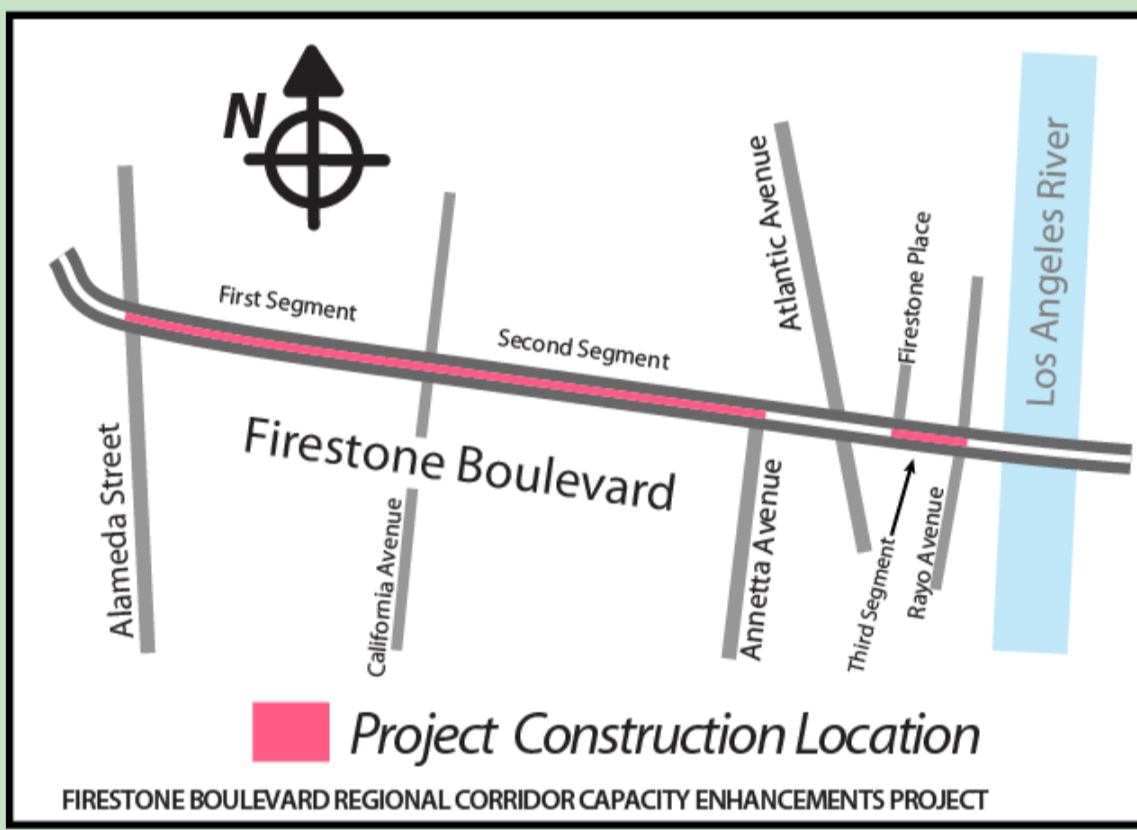

### SCHEDULE

Construction is tentatively scheduled to occur Monday through Friday from 8 a.m. to 4:30 p.m., with night and weekend work as needed. Efforts will be made to avoid significant impacts to residents, business and motorist. During construction, parking impacts will be minimized by restricting parking primarily within construction zones. Please adhere to No Parking/Tow Away Zones.

### DETOURS

As construction begins to impact Firestone Boulevard, please use Imperial Hwy and Florence Ave as alternate routes.

### Project Map

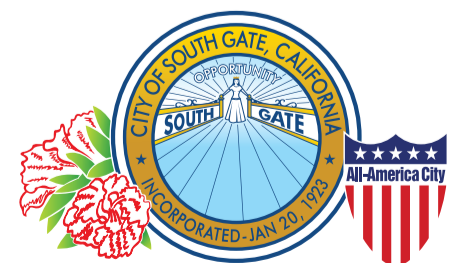

The Road Repair Accountability Act (SB 1) is a transportation investment to rebuild and fix neighborhood streets, freeways and bridges in communities across California. The City of South Gate is excited to participate in this landmark transportation investment through The Boulevard Project.
