NEW! EAST LOS ANGELES COLLEGE
Satellite Campus in South Gate

The new location for the East Los Angeles College (ELAC) Satellite Campus in South Gate will be the former site of the Firestone Tire and Rubber Company, located at 2525 Firestone Boulevard on the corner of Santa Fe Avenue. The ELAC South Gate Campus will provide enhanced educational opportunities to thousands in the southeast communities and will help future generations to achieve their higher education and professional training goals.

The South Gate campus will transform the former tire manufacturing site into a state-of-the-art learning facility integrated with cutting edge sustainability features. The new campus will include a three-story, 105,000 square foot, LEED-certified building with a modern library, classrooms, labs, offices, lecture hall, gym, health center, bookstore, counseling, transfer center, financial aid office and a student lounge. Water-efficient landscaping, plus inviting open public spaces will be incorporated along with dozens of bicycle racks, easy access to public transit and charging ports for electric vehicles. The new South Gate Campus will replace the current leased facility located a block away that has been opened since 1997. The construction is estimated to cost about $65 million and will be funded with Proposition A and Measure J. The estimated project completion date is spring 2022.

For more information, visit elac.edu or call (323) 265-8650.

City Council Adopts Budget, Sets Goals for Fiscal Year

The City Council approved the Fiscal Year 2019/20 Municipal Budget on June 11, 2019. The new budget projects General Fund revenues of $51.2 million and expenditures of $55.8 million, leaving an operating shortfall of $4.6 million. This operating shortfall will be covered with some one-time funds and with the Certificate of Participation (COP) Backing Fund, which currently has a balance of $14.6 million.

The City is required to annually adopt a budget which sets forth the goals, objectives, and work program for the City and projects a balanced or surplus budget necessary to accomplish said goals, objectives and work program. In addition, the budget projects the necessary funding for the City’s ongoing level of services to the residents and businesses of the City. The City Council held six budget workshops in order to hear departmental presentations, discuss issues of concern, and review and consider the proposed budget. For a detailed look at the City budget visit www.cityofsouthgate.org

South Gate Counts: 2020 Census

The 2020 Census is closer than you think! The City of South Gate has already started to prepare for the 2020 Census. The official start of the Census will take place April 1, 2020. Here is an update of what it is and why it’s important that everyone is counted:

Everyone Counts.
The census counts every person living in the U.S. only once, and in the right place.

It’s about fair representation.
Every 10 years, the results of the census are used to reapportion the House of Representatives, determining how many seats each state gets.

It’s in the constitution.
The U.S. Constitution mandates that everyone in the country be counted every 10 years. The first census was in 1790.

It’s about redistricting.
After each decade’s census, state officials redraw the boundaries of the congressional and state legislative districts in their states to account for population shifts.

It’s about $675 billion.
The distribution of more than $675 billion in federal funds, grants and support to states, counties and communities are based on census data. That money is spent on schools, hospitals, roads, public works and other vital programs.

Taking part is your Civic Duty.
Completing the census is mandatory, it’s a way to participate in our democracy and say “I Count, We Count, South Gate Counts!”

To get informed please visit the city website at www.cityofsouthgate.org/2020census for updates or email driquez@cityofsouthgate.org.
The City of South Gate is now accepting applications for the FY 2019-2020 Commercial Façade Improvement Grant Program. The grant allows property and/or business owners to do façade/exterior improvements to commercial buildings located in South Gate. The maximum grant amount is $40,000 per property. The applicant will be required to contribute $6,000 of personal funds towards the approved improvements of the building. Grant funds may be used to pay for improvements, and building plan check and permit fees associated with the rehabilitation work proposed under the Program. Interior improvements are not eligible.

In order for a commercial property to be eligible to receive the grant, they must meet the following requirements:
- Commercial building must be dilapidated or blighted
- Business must be located within a CDBG eligible area (visit the City website to view eligibility map at www.cityofsouthgate.org/business)
- Storefront must be visible from the street

Eligible Exterior Improvements include: Awnings, decorative improvements, doors, fencing, signage, lighting, landscaping, paint, windows and other items subject to approval.

The deadline to apply is October 1st, 2019.

For more information, contact Dianne Guevara, Management Analyst at dguevara@sogate.org/(323) 563-9535 Monday - Thursday 7am - 5:30pm (Closed Fridays).

Congratulations to the 12 residents who were selected for the 2019 Home Recognition Program! This year the City Council recognized 12 Homeowners who have demonstrated a commitment to beautifying and maintaining their homes. The award recipients were recognized by City Council on June 25th and received a certificate of recognition, lawn sign, and azalea plant. Below are the 12 homes that were recognized for the 2019 Home Recognition Program:
Waste Management

**Why recycle?**

Recycling properly can help save tons of raw materials, reduce the amount of waste sent to landfills and save energy. Do your part by making the correct recycling bins. Doing just this can help keep a mill from closing.

**Bulky item Pick-Up**

Do you have an old television or sofa that you are looking to dispose of? Don't know how? Schedule a bulky item pick-up with Waste Management.

Waste Management allows residential customers one free bulky item pick-up per month on their scheduled service day. Bulky items include: televisions, chairs, safes, appliances, bed frames, mattresses, lawn furniture, etc. Waste Management will not collect any of the following items: tires, carpet, construction debris, dry hoppers, waste batteries, couch beds, and excessively heavy items.

**How to Schedule a Bulky Item Pick-Up**

**Step 1:** Call Waste Management Customer Service at (800) 774-0224 and schedule your bulky item pick-up and confirm the bulky item collection date.

**Step 2:** Place items on the sidewalk/pathway of your property on the collection date.

---

**Tweed Boulevard Traffic Signal Synchronization Project**

Traffic will be moving much smoother along Tweedy Boulevard very soon. Traffic Signal Synchronization is a traffic engineering technique of matching the green light times for a series of intersections to enable the maximum number of vehicles to pass through, thereby reducing stops and delays experienced by motorists. Synchronizing traffic signals ensures a better flow of traffic through link stages, enabling maximum number of vehicles to pass through.

**Garfield Avenue Complete Street Improvement Project**

The City is excited to start the design for the Garfield Avenue Complete Street Project this summer. Garfield Avenue is a major roadway that has seen a large amount of traffic volume and pedestrian traffic every day. The Avenue will undergo major transformations to alleviate congestion, improve traffic circulation and enhance the safety and aesthetics of the corridor. The major improvements include the construction of a landscaped raised median, roadway realigning, bike lanes, and enhanced crosswalks. The project limits are from Firestone Boulevard to Howery Street. The estimated Project budget is $4.3 Million.

For additional information, please contact the Public Works Department at (323) 563-9500 or visit cityofsouthgate.org.

SWIM LESSON SKILLS

Parent - Child - Baby Beluga

Introduces basic skills to parents and children. Parents are taught how to safely give their child a chance to learn the water, including how to float and to make use of a swim float. This class is ideal for younger children, to introduce them to the water in a safe environment. This class is taught by a parent and child.

Tiny Tot 1 - Fish

Introduces and teaches basic aquatic skills, as well as swimming skills. Parents are important in helping their child learn to swim. This class is taught by a parent and child.

Tiny Tot 2 - Jellyfish

Most skills in this level are performed with assistance. This level marks the beginning of independent aquatic locomotion skills. Participants continue to use simultaneous and alternating arm and leg actions, and the front crawl stroke.

Tiny Tot 3 - Sea Otter

In this level children are introduced to more advanced water related programs like lifeguarding, competitive swimming, water polo and synchronized swimming.

Adult Swim Lessons are divided into three basic categories:
