**NORTHGATE GONZALEZ MARKET TO OPEN ALL 41 STORES ONE HOUR EARLY
TO HELP ELDERLY & DISABLED COMMUNITY DURING CORONAVIRUS CRISIS**

ANAHEIM, CALIF., MARCH 16, 2019 – Understanding the special needs of our senior citizen and disabled customer population during the Coronavirus pandemic, Northgate González Market announced today it will now open all 41 stores starting Tuesday, March 17 at 7 a.m. to 8 a.m. for seniors 65-years and older and disabled.

““During these challenging times Northgate González Market is here to serve as your trusted partner in providing you and your family with all your food and grocery item needs. We recognize the challenge facing seniors and other at-risk populations and we need to address them by providing them an opportunity to shop for essentials without fear or trepidation. Our customers and store associates’ safety are our number one concern,” said Northgate Market Co-President Miguel González. “This is just one solution we are looking at to help Southern California residents sustain their health and nourishment needs.”

Our stores will remain open for the general public from 8 a.m. to 8 p.m.

“Just as Los Angeles Mayor Eric Garcetti said on Monday, we ask younger shoppers to allow seniors to step in front of the lines, so they get in and out as soon as possible,” González added. The spirit of Mayor Garcetti’s message was to “be kind to those at risk” and that’s near and dear to our hearts.
